Please note, Preschool/Kindergarten/1st Grade (age 3-7) class size is limited. Students will either be placed in Group 1 or 2. Groups will alternate attending in-person class. When students are not in person they will have materials to work on. Families with students in grades 1st-8th do have the option to register their student for online learning. Please specify on registration if you are registering for online or in-person learning - contact Kayla Burck with questions.
