

## *Crown Him with Many Crowns*

Jesus is the King of the Universe - he is just and merciful and every virtue that a good king can be. In response, we can give Christ the King glory and honor through our daily choices. Each time we make a sacrifice or resist a temptation or do a good deed or any other little act of love, we bring him glory. Imagine these choices are like adding a gem to Jesus' crown. Each person should take a crown from the packet and write on it at least one way they will bring glory to Christ the King. This could be a resolution, a sacrifice, a good deed, etc. Feel free to embellish your crown with a drawing of a gem or gems for each action.
