

# Baptism of the Lord Activity Ideas

Start with a regular, cheap paper plate. First, cut it into thirds in big strips. The outside pieces become the wings, and the middle becomes the body of the dove. Cut the dove's tail and body from the middle section after cutting the wings free. The dove's body is easy to draw because it's just shaped like a snowman. Draw the lines you need to cut on the back of the paper plate. That way, when you flip it over the marker lines won't show. Cut on your lines, and then assemble like a dove with one of the big wings on each side. Secure the wings on the back of the dove with tape. Draw on some simple feet, a beak, and 2 eyes with markers.

Help Jesus find the water.
